CHAPTER 896, Before and After School Child Care Facilities

Code	Regulations	Yes	No	N/A	Remarks
17-896-24 (a)	Children's eating habits, food preferences, or special needs are considered in feeding schedules and menus.				
17-896-24 (b)	Nutrition information is available from a qualified nutritionist, dietitian, or other community resources approved by the State Department of Health.				
17-896-24 (c) (1) – (2)	Children in after school programs for 2-4 hours are offered a nutritious snack brought from home or provided by the facility.				
17-896-24 (d)	In a facility providing breakfast, the breakfast shall consist of milk, fruit, or one hundred percent fruit juice, and an enriched grain product.				
17-896-24 (e)	In a facility providing full day care, parents may provide the nutrition requirements. The facility provides a guide on nutritional snacks and brown bag lunches.				
17-896-24 (f) (1) – (4)	In a facility providing meal service, the minimum meal components and food amounts required by the United States Department of Agriculture (USDA) Child Care Food Program shall be met.				

Code	Regulations	Yes	No	N/A	Remarks
17-896-24 (g)	Local ethnic foods may be added or substituted for quantity. Facilities with the USDA reimbursement program shall consult with the USDA.				
17-896-24 (h)	Children shall not be offered foods to which they are allergic, or for religious reasons, cannot consume foods offered. Parent or guardian shall arrange for nutritious substitute foods.				
17-896-24 (i)	Food shall not be used as a punishment or reward. (check "yes" if it meets this regulation)				
17-896-24 (j)	Food service is reviewed biennially by a qualified nutrition consultant.				
17-896-24 (k)	For facilities offering snacks only, the food service review may be completed by persons other than qualified nutrition consultant, who are approved by the State Department of Health				
17-896-25	Drinking water shall be readily accessible to all children.
